

 GMC Associates

Travel to Cornwall has been made easier with the continued improvements of road links over the past few years. From the M5, approaching Cornwall take the A30 just after Exeter Services and continue until you meet the A3076 sign posted Truro.

When arriving in Truro, take the A39 signed for Falmouth and the A394 to Helston. After going past Tesco's you will be on the A3083 to The Lizard.

After approximately four miles you will pass through the village of Cury Cross Lanes and down through a winding road and wooded valley. As you come up the hill past a camp site and farmhouse, just approaching the brow of the hill, GMC Associates is signposted on the left-hand side. Follow the track to the end of the road and our Showroom and Workshops are on the left-hand side
